

SP 2.1 Definitions of Words and Terms – General

Substantive changes made for the 2-21-06 revision:

1. Deletes references to LLNL and LANL in order to convert this to a LBNL-only SP.
2. Deletes references to NNSA for the same reason as 1 above. This SP refers only to DOE.
3. Expands the introduction to the definition of “Commercial Item”.
4. Shortens the definition of Contracting Officer so it doesn’t refer to his/her location because it changes from time to time.
5. Adds a definition for DEAR to be consistent with LLNL’s new SP 2.1.
6. Shortens the definition of DOE by deleting the second half of the first paragraph which referred to NNSA, and by deleting the second paragraph which PPMD wasn’t necessary.
7. Deletes all socio-economic definitions. These definitions will be moved to SP 19.1 instead. The deleted socio-economic definitions are for:
 - a. 8(a) Program
 - b. HUBZone
 - c. HUBZone Small Business (HZSB)
 - d. Service-Disabled Veteran
 - e. Service-Disabled Veteran-Owned Small Business (SDVOSM)
 - f. Small Business (SB)
 - g. Small Disadvantaged Business (SDB)
 - h. Socioeconomic Business Concern
 - i. Veteran-Owned Small Business (VOSB)
 - j. Women-Owned Small Business (WOSB)
8. Deletes the definition of “Executive Director for Business and Finance (EDBF) because it isn’t referred to in the SPs.
9. Adds a definition for FAR to be consistent with LLNL’s new SP 2.1.
10. Deletes the definition of “Head of the Contracting Activity” because it isn’t referred to in the SPs.
11. Keep the *generic* definition of “Procurement”, but moved the *organizational* definition to “Procurement and Property Management Department”.
12. Adds a definition for recently re-named Procurement and Property Management Department.
13. Changes the “Procurement Manager” definition to clarify that the Procurement Manager manages PPMD.
14. Adds a definition of “Procurement Personnel” which is a phrase often used in SPs.
15. Deletes “procurement assistant” from the definition of “Procurement Specialist”.
16. Adds reference to Prime Contract clause I.1 - *Definitions*.
